Heidi Zula said that it had already been a busy month and that we had 3 claims.

At the next safety meeting we would like to have a projector to review "Surviving the Safety Committee Audit" that Bill attended at the PASBO meeting.

A building tour followed, panic hardware pieces missing in three doors that students could potentially cut their fingers on and the Library has 2 carpet squares that are fraying/separating, causing a potential trip hazard. Dee Reitzi issued work orders to repair those items. No other safety issues were found.

Meeting ended at 11:19 AM.

Next meeting is scheduled for Wednesday, April 10, 2019 at 9:30 in the large conference room of the Administration Building.
